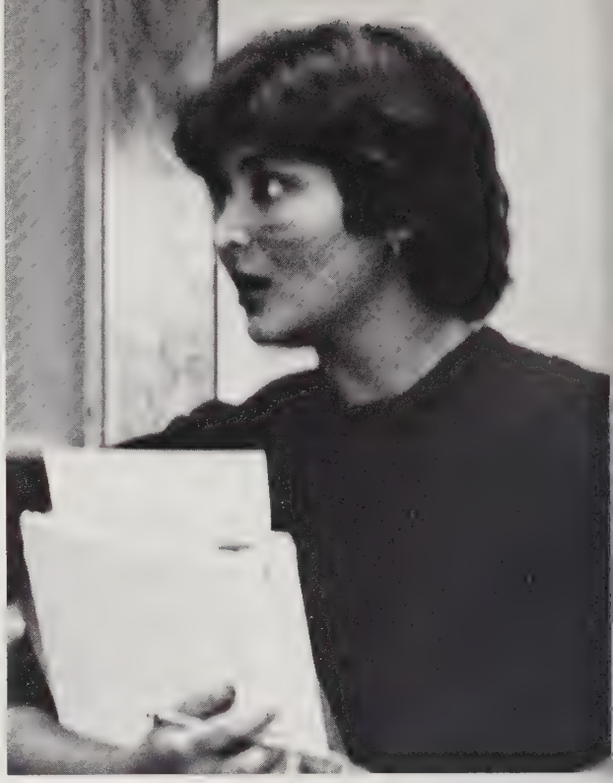
Seniors! Seniors! Seniors!



DO WHAT YOU WANT
Make a decision you can't turn around
It's complete it's finally killin' you
You're lackin precision it bothers you so
You can't make it without someone tellin' you
There's no execution you've fallen behind
In a world where it's all up ahead of you
You've seen the solution you say you know why
There's a tear in the eye You've been seeing through

High on this mountain
The clouds down below
I'm feeling so strong and alive
From this rocky perch
I'll continue to search
For the wind
And the snow
And the sky
I want a lover
I want some friends
And I want to live in the sun
And I want to do all the things
That I have never done.

Sunny bright mornings
And pale moonlit nights
Keep me from feeling alone
Now, I'm learning to fly
And this freedom is like
Nothing that I've ever known
I've seen the bottom
And I've been on top
But mostly I've lived in between
And where do you go
When you get to the end of
your dream?

Once in a vision
I came on some woods
And stood at a fork in the road
My choices were clear
Yet I froze with the fear
Of not knowing which way to go
One road was simple
Acceptance of life
The other road offered sweet peace
When I made my decision
My vision became my release.

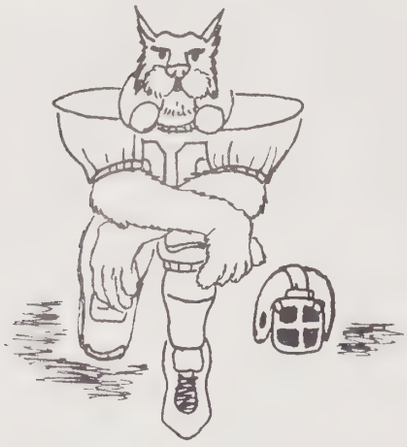
Varsity Football



The students and fans at HHS have a lot to be proud of in the 1979 Hendersonville Bearcat Football team. In their first year under the direction of Coach Phil Brintnall, the Bearcats, using the newly installed veer offense, finished the season as conference co-champs.

Dropping the single wing offense of yesteryear and installing the modern day veer offense required many hours of work and dedication of both the players and the coaches. It is this willingness to work and dedication that has made Hendersonville High outstanding throughout the years.
